

User Stories

Authentication & Profile

- **As a user**, I want to create an account and log in, so that I can save my favorite movies and personal data.

Search

- **As a user**, I want to search for movies by title, actor, or genre, so that I can quickly find what I want to watch.
- **As a user**, I want to view movie details like cast, synopsis, and release date, so that I can decide if it's worth watching.

Watchlists

- **As a user**, I want to add movies to a watchlist, so I don't forget to watch them later.
- **As a user**, I want to mark movies as watched, so that I can keep track of everything I've seen.

Social & Reviews

- **As a user**, I want to rate and review movies, so that I can share my thoughts with other people.
- **As a user**, I want to read other users' reviews, so that I can see what people think before watching.
- **As a user**, I want to be able to have discussions with other people about films, so that I can find other movies to watch or recommend movies I enjoy.
